TotalDairy

Welcome to TotalDairy 2021: Delivering Global Dairy Expertise

TotalDairy is the leading technical conference for the dairy industry in Europe. We are renowned for delivering the latest research and ideas on all aspects of dairy farming from around the world. 2021 will provide an opportunity to reach forward thinking dairy producers, veterinary surgeons and dairy industry representatives. In previous years we have attracted over 450 delegates and with the lack of industry events throughout 2020 we anticipate this year will be the highlight of the Dairy calendar. We are already in the process of securing some of the leading speakers from across the global dairy industry to be involved with the event and will be making speaker announcements over the coming months via our website and social media platforms. (www.totaldairy.com)

We are pleased to announce that following great feedback, we will be returning to The Crown Plaza in Stratford upon Avon for TotalDairy 2021. This riverside hotel provides us with modern conferencing facilities, high quality accommodation and leisure facilities in a great location. We will have an increased exhibition area for 2021 to ensure social distancing can be adhered to and we can keep our delegates, speakers and sponsors safe. The hotel is easily accessible from the M40 and only 20 miles from Birmingham airport. Plentiful parking is available on site for conference delegates.

This brochure outlines the sponsorship packages and promotional opportunities which are available for TotalDairy 2021 – a unique opportunity to associate your company with the very best global knowledge on all aspects of dairy herd management.

Sponsorship Packages

1 // Platinum Sponsorship Package

Our platinum sponsors have a very prominent presence at the event. This is a fantastic opportunity to increase brand awareness and introduce your team to the conference delegates through chairmanship of the main seminar sessions. Platinum sponsors have unique opportunities to network with our speakers and to make connections with international experts.

- Pre-seminar opportunity to meet with the main speakers the day before the conference, culminating in the Speakers & Platinum Sponsors Dinner on Tuesday 9th November. This includes 6 guests for each platinum sponsor
- Shared Chairmanship of the main lecture theatre throughout the event, with one platinum sponsor opening and the other closing proceedings on each day
- Opportunity to host two x 1 ½ hour Sponsored Workshop Sessions on a topic(s) of your choice as part of the TotalDairy programme. The speaker(s) for these sessions must be provided by the sponsor and all costs incurred must be met by the sponsor (including seminar passes for the rest of the conference)
- An exhibition stand (4 x 2 metres) in a prominent location
- Shared banner space exclusively for platinum sponsors on the main stage in the main lecture theatre
- Pop up banner space by the conference registration desk and in the hotel entrance
- Opportunity to include double sided A4 leaflets in delegate bags
- Full page advertisement and company profile within the proceedings booklet
- Prominent logo and company profile (with links) on the TotalDairy website, and logo included on all promotional material
- Featured email to all delegates introducing the platinum sponsors prior to event
- Minimum of 5 tweets from @totaldairy promoting each platinum sponsor
- 8 Seminar passes for both days, **including Dinner*, Bed and Breakfast for the Wednesday night**
- 15% off all further seminar passes

**The format for the conference dinner on Wednesday 10th November will be dependant upon government regulations at the time of the event and may be either a sit down or a buffet style dinner.*
